#### Media Release

Unfortunately, during this morning's events at the 2024 Southern 80 water ski race, there was an incident involving one of our competing teams where a skier fell and could not be revived at the scene.

Racing was immediately suspended and since been cancelled.

The club is cooperating with NSW Police and Transport for NSW - Maritime, in their investigation into the incident.

As a ski racing family we are here to support the affected family and team members as well the wider ski racing community in this terribly sad time.

All further enquiries to NSW Police who are managing the incident.
